Birra

Menabrea

\$8

This is a well-balanced beer with a notable floral and fruity aroma thanks to the selected yeasts used in the brewing process. The best raw materials, long maturation and the pure water from the Biella Alps have given this beer a full and refined taste since 1846.

Peroni

\$8

Nastro Azzurro is Italy's number one premium beer. A refreshing lager with unmistakable character. It's the unique blend of 25 per cent Italian maize and malted barley that lends Peroni Nastro Azzurro its distinct clarity and crispness.

Italian Craft Beer

Baladin Issac

Cuneo Italy \$11

The creamy head, the cloudy, apricot colour and the scent of yeast and citrus, which blend into spicy harmonies of coriander and peeled oranges, call you from the glass.

Isaac is ideal as an aperitif, is perfect with fresh dishes and light vegetable appetizers, and goes well with fish too. Refreshing to the palate, it has a light body and is very easy to drink.

Baladin Nazionale

Cuneo Italy \$11

The first 100% Italian Beer made with Italian ingredients. An intentionally simple beer, Italian water, barley malt, hops, yeast and 2 Italian spices (Bergamot and Coriander) which combine to create harmony and originality. A beer which suggests more or less daring combinations, but more importantly marks a turning point in the Italian production of craft beer. Nazionale, is excellent as an aperitif and goes well with any dish.

Baladin Superbitter

Cuneo Italy \$12

Super Bitter, it undoubtedly follows the current trend of bitter beers, but without taking it too far! Super Bitter has sure plenty of hoppy scents – given by the generous use of a particular type of American Hop called “Amarillo”, but it remains true to its Baladin identity and strikes a perfect balance with notes of caramel, dried fruit (just a hint) and the bitterness of the hops. Super Bitter, just as its famous “big sister” (if not more) will entice you to spend time with others and socialize.
